

2004

Explore American Eagle's Features and Benefits.

The Liberty Chassis™ — Enables American Coach to design and manufacture double, triple and quadruple slide-out floor plans. The Liberty Chassis can be paired with either Spartan or Freightliner options. Both options offer a truly unequalled driving experience.

Luxurious Driving Experience — Built on the brand new Liberty Chassis, with Independent front suspension, 4 air bags and 55 – 56 degree cramp angle. This chassis provides the handling and maneuvering our customers are looking for in a Diesel motor home.

Six Interior Decors and Seven Exteriors to Choose From — At NO extra cost to the customer. Our competition cannot make that statement!

One-Piece Windshield Bonded into Steel — Compliment the driving experience with a great view from the drivers seat!

Full Body Exterior Paint — A beautiful exterior from a "state of the art" facility.

A Place for Everything and Everything in its' Place — American Eagle provides storage in the dash, under the galley cabinet, adjustable shelves in the galley overhead, full size pantries, dovetailed drawers with full extension hardware, deep overhead storage, even in the slide-out rooms and a shoe shelf in the ward closet. And that's just inside the motor home! Take a look on the outside. We placed the optional features to maximize the exterior storage. Check the competition to see how they stack up.

82" of Interior Ceiling Height — WOW!

Power — We supply plenty of it. The 40' American Eagle comes equipped with a 400HP Cummins ISL 8.9L engine. The 42' American Eagle is equipped with a 500HP Cummins ISM 10.8L engine. Travel the mountains and valleys and never worry about getting over the next hill.

By Fleetwood — a name you know, a name you trust.

1. GVWR (Gross Vehicle Weight Rating): Means the maximum permissible loaded weight of the motor home. The GVWR is equal to or greater than the sum of the unloaded vehicle weight plus the net carrying capacity.
2. GAWR (Gross Axle Weight Rating): Means the maximum permissible loaded weight a specific axle is designed to carry.
3. Base Weight: Means the estimated weight of the motor home without fuel, options, water, cargo or passengers.
4. GCWR (Gross Combined Weight Rating): Means the value specified by the motor home manufacturer as the maximum allowable loaded weight of this motor

home with its towed vehicle. Towing and braking capacities may differ. Refer to Fleetwood and chassis manufacturer manuals for complete information.

5. Length taken from front bumper to rear bumper (excludes accessories).
 6. Excludes safety equipment and awnings.
 7. Tank Manufacturer's listed water capacity (WC). Actual LPG capacity is 80% of water listing as required by the safety code.
- * The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing.

American Coach™ is proud to offer the new Liberty Chassis™ On all 2004 Models.

The Liberty Chassis is unlike any other chassis on the road today. American Coach developed the Liberty Chassis with strength and rigidity to dramatically improve ride and handling. The new chassis design enables us to offer floor plan designs with triple and quad slide-outs along with the many features listed below:

A. Huge Towing Capacity

- 12,000 lb. or 15,000 lb. hitch

B. Laminated Storage Liners

- Easy to Maintain, Neat, Clean Look, Durable

C. E-Coated Structure

- Protects Against Corrosion
- Longevity, Quality and Workmanship

D. All Steel Structure

- Minimize Flex, Enhances Driving Experience, Longevity, Strength

E. Center Mounted Fuel Tank

- Increased Storage Capacity from Previous Platform

F. Independent Front Suspension

- Optimum Handling, Enhances Driving Experience

Visit your local American Coach dealer and take a test drive to experience the Liberty Chassis difference for yourself.

RV OWNERCARE...

is a limited one-year/three-year or 15,000 mile warranty, whichever occurs first, and it is fully transferable for the first 12 months.

RV OWNERCARE is one of the RV industry's most comprehensive programs and includes systems, appliances, components, and construction, with no deductible and no service charge.

RV OWNERCARE coverage is provided from a company that will be around in the future to service your needs. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

Club Fleetwood...

As a Fleetwood owner, you're eligible to become a member of our owners group, Club Fleetwood. It's a perfect way to meet other Fleetwood owners who love to travel to beautiful resorts and vacation spots all across America. Call (877) 577-2560 and join the fun!

What Drives You?

Maybe it's feeling like you're the only one on Earth. Perhaps it's the unique sense of closeness with the great outdoors. Or, it might be the joy that comes from spending quality time with family and friends.

Whatever the reason, we know that you have a strong drive to experience everything that comes with spending time on the road. And for more than 50 years, we've shared that passion with you.

Because we're RV enthusiasts ourselves, you can see our passion in the vehicles we design and build. Own a Fleetwood, and you'll feel like you're not just traveling, but embarking on an experience unlike any other.

Set your own course for adventure and get out there and explore the world around you. Once you do, you'll see what it is that drives us — it's you.
